

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11802

The cabin air filter is located behind the glove compartment.

- Open glove box
- On right hand side of glove box, remove damper clip string
- Press each side of the glove box to release it
- Hold the glove box level, not allowing it to fully lower
- Making sure to hold the glove box at the correct angle, gently pull the glove box towards you until hinges release. Note: be careful not to break the hinge
- Remove the cabin air filter cover
- Remove old filter
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
