

# SMART PARTS

## Washable, Reusable Cabin Air Filters

### INSTALLATION INSTRUCTIONS PART NO. SP11841

The cabin air filter is located under dash on passenger side  
Installation time: 30 min

- Note: on some vehicles, it may not be necessary to remove the glove box. See owner's manual or look below glove box to see if filter cover is present.
- By pulling with hands, remove dash panel trim to right of glove box
- Remove two screws at bottom of glove box
- Open glove box and remove three screws at top of glove box
- Remove glove box
- Cabin air filter cover is located in rear left corner
- unlatch bottom of cover and pull it loose
- Pull out first old filter, then second second above it
- Install new Smart Parts Washable Reusable Cabin Air Filters (squeeze to fit if needed)
- Reverse above steps to reassemble

*This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.*
