

SMART PARTS

Washable, Reusable Cabin Air Filters

INSTALLATION INSTRUCTIONS PART NO. SP11953

The cabin air filter is located behind the glove compartment
Installation time: 15 min

- Open the glove box
- Pull to disconnect damper arm
- Squeeze the middle of each side of the glove box, then pull to release it, allowing it swing down
- Remove the rubber cover by pulling straight back
- Remove the bolts that secure the panel
- Carefully unclip housing from dashboard and then unplug pigtail on left side of housing
- Open filter door and remove old filter
- Install new Smart Parts Washable Reusable Cabin Air Filter (squeeze to fit if needed)
- Reverse above steps to reassemble

This is only a guide. See Owner's Manual and/or your mechanic for exact instructions for your particular model.
